INTRODUCTION

In 1999, Blossom commenced its mission of becoming the leading provider of affordable and quality insurance services. Twenty years down the line, we continue to live up to this mission with great pride.

Blossom Insurance Agency is a member of the Association of Insurance Brokers of Kenya (AIBK), and is registered by the Insurance Regulatory Authority (IRA) with sufficient Professional Indemnity Insurance policy to cover any professional mal-practice.

OUR VISION

To be a Global Insurance Agency of choice offering effective and proactive risk management solutions.

OUR MISSION

To become the provider of affordable and quality services in the Insurance Industry.

WHY INSURE THROUGH BLOSUM?

At your service is a well-trained and motivated team that will always be ready to listen to your needs and offer professional insurance services. Dealing with us benefits you our client in various ways:-

- Our service is **FREE**. We are paid by the Insurer at no extra cost to you the Client.
- As the agency, we do market research and recommend appropriate insurers on the basis of price, product features, service and financial stability.
- As a client you have both the Underwriter and our staff to service your account. This enhances service and value you get for your money.
- We guide our clients in launching claims as we make follow ups until settlement.
